**Global Collaboration Coffee:
Next Generation Risk Assessment from principle to practice: where are we?**

Monday, March 17, 9:30—11:30 am

SOT 64th Annual Meeting, Orlando, FL
W207A on Level 2, Convention Center

We aim to explore the advancements, challenges, and practical applications of modern risk assessment approaches. Together, we'll examine how principles are being translated into actionable strategies, the progress made so far, and the road ahead in shaping safer, more sustainable solutions.

You are invited to display materials about your upcoming meetings and activities at the IUTOX exhibit booth. Global Gallery posters will be on display during the SOT Annual Meeting.
