

# American College of Toxicology

## **ACT's International Travel Grant** Application Deadline May 1

The American College of Toxicology is offering a limited number of travel grants to toxicologists outside of North America to attend our 38th Annual Meeting in Palm Springs, California, November 5–8, 2017.

Each grant will cover the Annual Meeting registration fee, the cost of a round-trip economy airfare, and up to four nights stay at the headquarters hotel. Recipients will be required to present a poster at the meeting.

To apply for this grant, please submit a copy of your CV along with the title and abstract of your poster. Please also submit a letter (up to 500 words) describing your career aspirations if you are a student, or your commitment to toxicology and your vision for the field if you are not a student.

Application available  
beginning March 1, 2017  
on ACT's website  
at [www.actox.org](http://www.actox.org).
