

CTDC 10
12th SCT

April 18-21, 2018, Belgrade, Serbia

iutox
INTERNATIONAL UNION OF TOXICOLOGY

CTDC10 EXHIBITION & SPONSORSHIP OPPORTUNITIES

The International Union of Toxicology (IUTOX) and the Serbian Society of Toxicology (SETOX) are pleased to announce that the 10th Congress of Toxicology in Developing Countries (CTDC10) and the 12th Serbian Congress of Toxicology will be held from April 18-21, 2018, in Belgrade, Serbia.

Congresses of Toxicology in Developing Countries are organised every three years by IUTOX and hosted by one of its member societies. Since 1987, these one of a kind meetings have catered to the toxicological problems faced by countries where toxicology is under-represented. CTDC meetings have travelled around the world, starting in Argentina and moving to India, Egypt, Turkey, China, Croatia, South Africa, Thailand and Brazil before reaching us here in Serbia in 2018! Each Congress provides a forum for discussing universal toxicological problems and exchanging research and solutions with toxicologists from all over the world, especially from developing countries and regions.

The Serbian Congress of Toxicology has been held every four years since 1974 and constitutes the most important meeting in Serbia and the Balkan region; it is comprised of a broad program, including all areas of toxicology.

CTDC10 will include a full day of continuing education courses and an extensive scientific program, integrating numerous areas of toxicology from clinical to experimental and applied to basic sciences. We expect attendees from around the world to include representatives from industry, academia and government.

We are kindly asking you to financially support the organisation of the CTDC10. All sponsors will be acknowledged on the Congress home page and in various Congress materials. The sponsors are encouraged to be involved not only in the various sponsorship and exhibition opportunities stated below, but also in shaping the scientific program. We also appreciate your participation at the Congress as exhibitors.

We look forward to receiving your positive reply and valuable suggestions.

Sincerely yours,

Vesna Matović
President CTDC10
Chair International Scientific Program Committee CTDC10

Barbara Hales
Chair International Advisory Board CTDC10

Petar Bulat
Chair Local Organizing Committee CTDC10

INDUSTRY SUPPORT

Summary of Sponsorship and Exhibition

Sponsor donations play a key role in the success of CTDC10; please give serious consideration to supporting the Congress. All types of support are welcome and enable us to maintain affordable registration fees, while you gain an opportunity to demonstrate your commitment to toxicology in Europe and beyond.

To take part in the event, please review all exhibition and sponsorship opportunities to find the combination of activities that suits you best. Sponsorship categories reflect your company's total contribution to the Congress:

Sponsorship Levels

GOLD sponsors total contribution over 10 000 EUR

SILVER sponsors total contribution over 5 000 EUR

BRONZE sponsors total contribution over 3 000 EUR

General Benefits for Gold, Silver and Bronze Sponsors' packages:

- Logo on the event website with a link to company's homepage
- Logo on the banner in the Main Congress Hall
- Logo displayed in all other congress rooms during the breaks
- Acknowledgement in the Final Programme (logo and 200 word description)
